7: When this screen has fully loaded, press the launch button.

A new browser window will appear, which will take some time to load.

8: Click the arrow on the right-hand side

The table of contents will appear. This will also take some time to load.

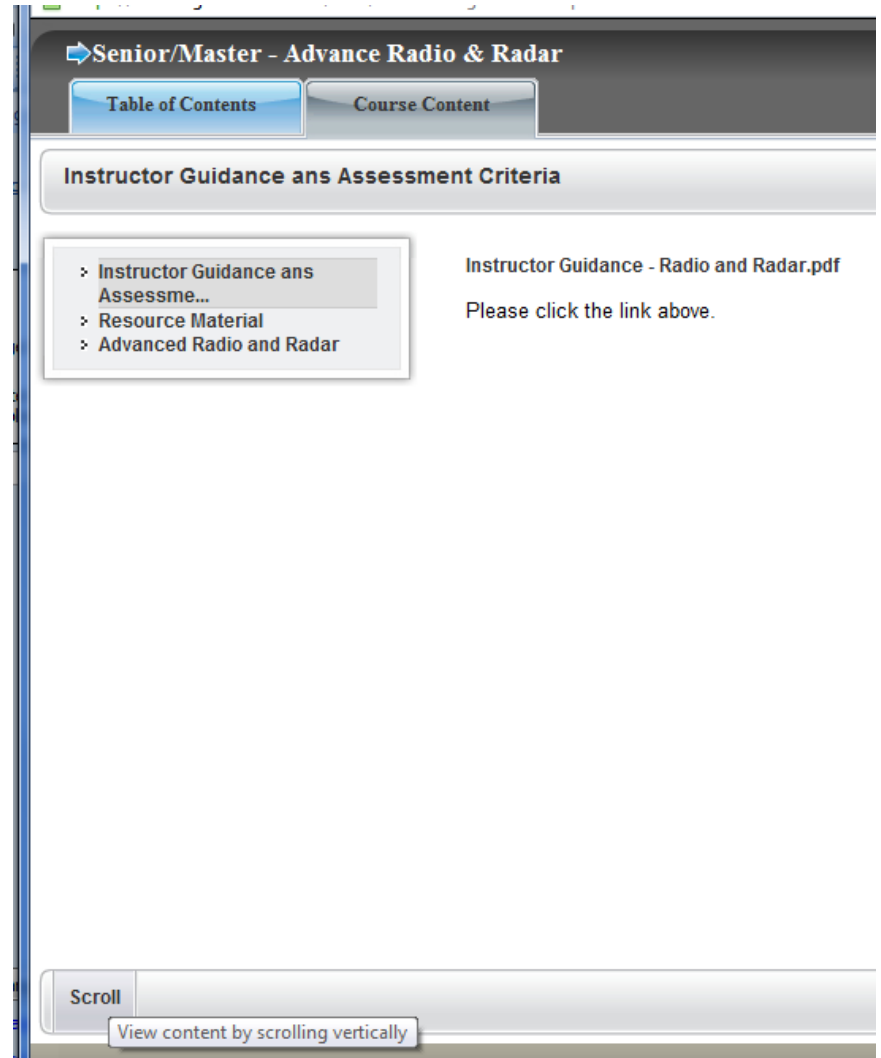

The screenshot shows a Google Chrome browser window with the title "Senior/Master - Advance Radio & Radar - Google Chrome". The address bar displays the URL "https://learning.bader.mod.uk/LMS/ContentOrgExecutor.aspx". The page content includes a navigation bar with a "Table of Contents" button and a "Go" button. Below the navigation bar is a table with the following structure:

Activity	Completion/Success Status	Last score	Last Accessed	Go
Senior/Master - Advance Radio & Radar	-	-	-	

The "Go" button in the table is circled in orange.

9: Click scroll at the bottom, to view all resource materials.

You will see a list of all the documents available for your course. These are all the documents your instructor has access to.

The screenshot shows a web interface for a course titled "Senior/Master - Advance Radio & Radar". At the top, there are two buttons: "Table of Contents" and "Course Content". Below these is a section titled "Instructor Guidance and Assessment Criteria". On the left side of this section, there is a list of items with expandable arrows:

- › Instructor Guidance and Assessment...
- › Resource Material
- › Advanced Radio and Radar

To the right of this list, the text "Instructor Guidance - Radio and Radar.pdf" is displayed, followed by the instruction "Please click the link above." At the bottom of the interface, there is a "Scroll" button and a tooltip that says "View content by scrolling vertically".

10: Save the documents.

You can left-click to view any document without saving. To save the document to your computer, right click and choose **save as...**

To view most the documents, you will need Microsoft PowerPoint. If you don't have this, you can install PowerPoint Viewer from here: <http://www.microsoft.com/en-gb/download/details.aspx?id=13>

You may also need Adobe Reader, which you can download from <http://get.adobe.com/uk/reader/>
